

CAREER ROAD MAP **YEAR 3**

EXPERIENCE

- Complete an internship to continue building career-ready skills.
- Participate in Tiger LEAP Job Shadowing Program through the Career Center.
- Engage in research with a professor on campus.
- Participate in micro internships and short-term experiences through Forage and Parker Dewey.

KNOWLEDGE

- Check out the events section on Handshake to find professional development opportunities such as conferences and networking events.
- Research your industries of interest to determine cultural norms and trends.
- Build cultural competency while studying abroad.

- Determine whether the next step for you is full-time employment, graduate studies or another avenue.
- Apply for a cultural competency grant and expand knowledge of social justice practices.
- Seek certifications through LinkedIn Learning.

NETWORK

- Make a LinkedIn profile and keep it up to date while connecting with students, faculty and professionals in your field(s) of interest.
- Join campus-based and national professional organizations.
- Attend industry events and conferences when possible.
- Continue to conduct career conversations and be sure to maintain contact with these professionals through Tiger Mentor Network.
- Attend Diversity Works Career Networking Reception, Fall Career and Internship Fair, Spring Mega Job and Internship Fair, etc. to network with professionals in your chosen industries and discover internship opportunities.
- Connect with your career community coach and attend targeted career community events.

CAREER READY

- Take your resume and cover letter to the Career Center for review during Express Hours.
- Develop interviewing skills by participating in mock interviews at the Career Center.
- Meet with your academic adviser to make sure you are on track to fulfill all degree requirements.
- If you are going on to graduate school, identify the prerequisite education and application requirements.
- Build an online portfolio with writing samples, artwork, graphic designs, compositions, etc. to easily share your work with potential employers.
- Complete self-paced Intern P.R.O. modules.
