

## **Associate-to-Bachelor's (ATB) Degree Completion Option – ATB 2.0:** **College of Southern Maryland & Towson University**

### **General Information for the Primarily Online Model – Summer Start**

#### **I. General Program Information**

This dual enrollment option is available to eligible students after their first or second semester in the College of Southern Maryland (CSM) Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CSM and Towson University (TU) and begin to take TU courses after successful completion of one or more semesters of the Nursing Program at CSM. Once they earn the Associate of Science (A.S.) degree at CSM, students must pass the NCLEX-RN licensure exam and receive their RN license to continue with their remaining coursework at TU to complete the Bachelor of Science (B.S.) degree.

Up to 90% of the TU curriculum may be completed online. The practicum (NURS 489) in the final term must be completed face-to-face (in person). All other courses are offered online.

The ATB option requires year-round attendance and takes approximately 2.5 years to complete. Program length is ten terms, including winter and summer sessions. CSM courses will be held at the CSM campus in Hughesville, MD. TU courses will be taken online.

Two degrees will be awarded: A.S. from CSM and B.S. from TU. Students must meet all program and degree requirements at both institutions to receive the respective degrees. Advisors will be available at both schools.

#### **II. Program Admission Requirements**

- A. Completion of the first term or first two terms of the CSM Nursing Program
- B. GPA of 3.0 or higher in CSM required admission courses
- C. Additional required courses (completed by the start of the first nursing course) with a C (2.0) or better:
  - Chemistry (CHE 1050) – 4 credits (must include a lab)
  - Principles of Nutrition (BIOL 2160) – 3 credits

#### **III. General Application Procedures**

Students must apply to both the CSM A.S. Degree Nursing Program and the TU ATB option by the programs' deadlines. Students who are admitted to the TU ATB option must also apply to Towson University in order to enroll in classes. The TU Department of Nursing will provide instructions to apply and enroll at the university if admission is offered. Applicants should not apply to TU until given instructions to do so by the TU Department of Nursing.

##### **Applying to CSM RN Program**

See CSM application deadlines and procedures at <https://www.csmd.edu/programs-courses/program-finder/nursing/index.html>.

##### **Applying to TU ATB**

Students must apply and submit all required materials by the deadline to be considered for ATB admission.

##### **Deadline:**

- Summer Start – April 1st

##### **Required Materials:**

1. Department of Nursing Application for Admission: Associate to Bachelor's Degree Completion Option (ATB):  
<https://www.towson.edu/chp/departments/nursing/undergrad/degree-options/associate-to-bs/admissions.html>
2. \$50 non-refundable application fee – Submit upon completion of online application form.
3. Official transcripts from all colleges/universities attended – Submit to University Admissions (electronic transcripts preferred)
  - a. **Electronic transcripts:** Select "Towson University" in Parchment or other electronic transcript service
  - b. **Printed transcripts:** University Admissions, Towson University, 8000 York Road, Towson, Maryland 21252

## Admission Decisions

The CSM and TU Nursing Departments will review completed applications for acceptance into the ATB option. Students will be notified by either email and/or letter with admission decision. TU will only release admission decisions once CSM has released their decisions. Students who do not receive admission to the CSM program will not receive a decision from TU.

## IV. Tuition, Fees, and Financial Aid

Students will be charged tuition and fees based on the policies of each institution. Tuition and fees are subject to change each academic year. If students are using financial aid, it will be processed through the TU Financial Aid Office based on the total enrollment at both institutions. For the purposes of tuition and financial aid, students must be aware that the ATB plan of study involves part-time enrollment (less than 12 credits) for the majority of the program. More information is available online:

- CSM tuition and fees: <https://www.csmd.edu/costs-aid/scholarships-financial-aid/index.html>
- TU tuition and fees: <https://www.towson.edu/student-university-billing/tuition/>
- TU financial aid information: <https://www.towson.edu/admissions/financialaid/>

## V. Non-Nursing Course Requirements

Requirements for the CSM Associate Degree RN Program	Additional Requirements for Admission to the TU Associate-to-Bachelor's Option	Additional Non-Nursing TU Requirements to Award the Bachelor of Science in Nursing
ENGL 1010 College Composition I 3 cr BIO 2170 A&P I 4 cr BIO 2180 A&P II 4 cr BIO 2010 Microbiology 4 cr MTH 1120 College Algebra 3 cr MTH 1015 Statistics 3 cr PHIL 1410 Ethics 3 cr PSYC 1010 Intro to Psychology 3 cr PSYC 2050 Hum Growth & Dev 3 cr COM 1350 Intercultural Communication 3 cr	CHEM 101 Intro to Chemistry 4 cr BIOL 220 Nutrition 3 cr  Courses in this column can all be taken at CSM. All prerequisites must be completed with a C (2.0) or higher.	Upper-level healthcare ethics 3 cr Upper-level elective 3 cr  These courses are not required for admission to ATB. They will be taken at TU during ATB. Students who have already taken an ethics course can take any upper-level elective. Healthcare-related courses are strongly encouraged. Course selection will be made with your TU ATB advisor.
Totals: 33 credits	7 credits	6 credits

## V. ATB Program Progression

Students are required to meet regularly with their TU advisor to review their degree plan. Students must follow the TU ATB plan of study, which accounts for factors such as when courses are typically offered and course prerequisite sequences. They may consider taking the upper-level electives in another term only after meeting with their TU advisor.

The completion of the final courses of the ATB curriculum outlined in the plan of study requires successful completion of the A.S. degree and/or active RN licensure. Enrollment in NURS 476, NURS 484, and NURS 489 requires the completion of the A.S. degree. NURS 489 also requires RN licensure and completion of all other courses in ATB curriculum courses (with the exception of NURS 476, NURS 484, and upper-level electives which may be taken concurrently).

## VI. Contact Information

- College of Southern Maryland – Contact the ATB Coordinator Mona Weber at [mweber@csmd.edu](mailto:mweber@csmd.edu) or 301-934-7638.
- Towson University – Contact the Academic Program Manager at [nursingdco@towson.edu](mailto:nursingdco@towson.edu) or 410-704-4170
