In honor of the 70th anniversary of the Supreme Court's school desegregation decision, we explore the past to understand the present and build a more just future. In this event, the authors of *Humanity Over Comfort* will explore the legacy of Brown vs. Board of Education and offer tools to promote equity and individual growth as educators and human beings.

The event will feature a presentation, discussion, Q&A session, and refreshments.

The first 10 attendees receive a free copy of *Humanity Over Comfort*!

Humanity Over Comfort was written to cultivate awareness that increases racial equity capacity. The authors advance tools that promote transformational change that eliminates the access and opportunity gaps for Black and Brown individuals.
