Music Industry Minors must complete a minimum of twelve (12) units toward the minor at Towson University.

I understand that students are expected to familiarize themselves with the *Undergraduate Catalog* and that they are to satisfy all published degree requirements. Failure to do so does NOT provide a basis for exceptions to academic requirements or policies. It is my understanding that students will receive assistance from general academic and faculty advisers, but students MUST assume responsibility to verify their degree progress and to complete published degree requirements.

I have read and I understand the information as set forth on this sheet.
