**NAMING OPPORTUNITIES**

1

You are invited to become part of Towson University history. With your support, we are pleased to offer you an enduring tribute in the new home for the College of Health Professions (CHP). Opening in 2024, this 240,000-square-foot, six-story building represents a significant investment in student preparation and real-world learning. Rising from the heart of campus, the state-of-the-art, LEED-certified collaborative learning space will consolidate a full array of health sciences programs under one roof, in a facility that is worthy of TU's leadership position as the largest provider of health professionals in Maryland.

Visit [rise.towson.edu/campaign-overview/capital-projects](https://rise.towson.edu/campaign-overview/capital-projects) for a virtual tour.

For a current list of naming opportunities, including a premier opportunity to name the CHP building, contact **Linda A. Roush**, Senior Director of Development at [lrush@towson.edu](mailto:lrush@towson.edu).
