# Kahlert Foundation Scholarship for Computer and Mathematical Sciences (Current Students)

## Purpose

The Kahlert Foundation Scholarship for Towson UTeach supports the academic achievement of current Towson University students who are pursuing dual teaching certification in computer science and mathematics at the secondary school level (grades 7-12).

## Award

The total potential award amount is $7,500. After a $2,500 award in the initial year, the scholarship can be renewed ($2,500) for up to two subsequent years provided the student is in good academic standing; has maintained a cumulative grade point average of at least 3.00; and has continued to successfully complete appropriate coursework toward the completion of the Computer and Mathematical Sciences Secondary Education major.

## Eligibility

- Student must
  - be a Maryland resident
  - have completed at least 15 college credits at Towson University or a Maryland Community College at the time the award is made. [TU freshmen may apply]
  - have a combined grade point average from current and previous institutions of higher education of at least 3.00
  - matriculate to Towson University (TU)
    - enroll and maintain status as a full-time TU student (at least 12 credits)
    - declare a major in Computer and Mathematical Sciences with a Secondary Education concentration.
- Preference will be given to a student who is the child or grandchild of an existing or former Evapco employee who is or was an employee for no less than one year. It is incumbent on the applicant to provide documentation of his/her relationship to a present or past Evapco employee by furnishing a letter on Evapco stationery, signed by an appropriate company official, that states the applicant's relationship to the employee and the employee's length of service to Evapco.

## Application Deadline

The deadline to apply for priority consideration is December 1st. Applications received after that date will be considered on a rolling basis.

**Submission Guidelines**

- Submit the application available at **https://tinyurl.com/2p9fm9cu** . Additional scholarship information is found at
  http://www.towson.edu/fcsm/departments/uteach/scholarships.html
- Submit the following by email to
  Ms. Sarah Mamaril at smamaril@towson.edu

  Subject line:  Kahlert Foundation Scholarship for Computer and Mathematical Sciences (Current and Transfer Students)

  o   one <u>letter of recommendation</u> from a computer science or mathematics faculty member or administrator (Ex: Director of Teacher Education) at TU or your MD community college
  o   <u>unofficial transcripts</u> from all undergraduate institutions of higher education that you have attended.

- Submit the following by **regular mail** to
  Kahlert Foundation Scholarship for Computer and Mathematical Sciences (Current and Transfer Students)
  c/o Ms. Sarah Mamaril
  Towson UTeach
  Towson University
  8000 York Road
  Towson, MD 21252

  o   <u>official transcript(s)</u> (only if not sent electronically) from all undergraduate institutions of higher education that you have attended.

  o   <u>Optional</u> – Send an official score report from the College Board to Towson University (code 5404) for Advanced Placement Examination scores for which you expect to earn credit.   Please refer to
     https://catalog.towson.edu/undergraduate/admissions/undergraduate-admissions/advanced-placement/ for a listing of qualifying scores.

Questions:  Contact Ms. Sarah Mamaril, smamaril@towson.edu,  or Dr. Linda Cooper, lcooper@towson.edu.
