Do Remember...

You must call in changes and cancellations in advance. Failure to do so will result in your trips being cancelled for the day and the possible loss of riding privileges.

Schedule trips at least 30 minutes before your desired arrival time to account for weather, traffic and other trips. Trips may be delayed during peak times.

You must be at pick up location at least 5 minutes before your scheduled ride. The driver will not wait past the scheduled time. Failure to do so will result in the remainder of your trips being cancelled for the day. Be prepared for the elements.

If you are not in place you will be considered a No Show and you will have to call for any other rides during the day.

Other people are riding too, service may not be direct.

Let us know when you no longer need the service.
