

To see if your vehicle is Certified Smart Way Elite, follow these steps:

1. Go to <http://www.epa.gov/greenvehicles/>.

2. There is box in the lower left corner of the page that says "Search for SmartWay Vehicles. Click the Search button.

3. Enter your vehicle information and click the Magnifying Glass icon.

The screenshot shows the EPA Green Vehicle Guide website. The main heading is "Find a Vehicle" with the sub-heading "Search SmartWay Vehicles". Below this, there is a search form with the following fields:

- Model Year:** A dropdown menu with options 2015, 2014, and 2013.
- State:** A dropdown menu with the option "All States".
- Vehicle Class:** A dropdown menu with options "Small Cars", "Family Sedans", and "Upscale Sedans".

A red arrow points to the magnifying glass search icon located below the search form. To the right of the search form is a large image of a silver sedan. Below the search form, there is a paragraph of text: "The SmartWay program certifies the 20% lowest-emitting passenger vehicles each model year, based on greenhouse gas and smog ratings. Visit SmartWay Vehicles for more information. A complete list of SmartWay vehicles by model year is also available." At the bottom of the page, there is a link that says "Search All Vehicles".

4. Click on the specifications for your vehicle from the list.
