Frequently Asked Questions

Where is my permit valid?

- Your parking permit, through Off-Street, is valid in any **faculty/staff, overflow, and visitor** space, including those restricted to visitors with a "Code," in the Union, Glen, Towsontown and West Village Garages. It is also valid in overflow spaces at West Village Garage and the Stadium Lots, (Lots 4, 5, 6, 7 and 8) where the black bordered signs read: **"All TU Permits Valid."**

Where can I park if I have an accessibility (handicap) plate/placard?

- You may park in any accessible parking space on campus. Please consult a campus map (www.towson.edu/maps)

What if I bring a vehicle that was not registered through Off-Street?

- If you have to bring another vehicle to campus instead of the one that you registered through Off-Street, contact the Parking & Transportation Services Office at upark@towson.edu to cancel the previous reservation.
